

## PROJECTS

AttainU

July 2019

### Chartowl

- [GitHub](#)
- Developed a web application that allows users to upload a CSV file containing relevant chart data i.e. relevant figures and generate a line, bar, pie and column chart from the uploaded data.
- It can save the generated charts with the help of parse server against user's unique google id.
- Can download the generated chart as an image, svg, png, or jpg format or even as pdf.

### Stocks App

- [StocksApp](#), [GitHub](#)
- Developed an application that helps investors create a portfolio and watchlist of scripps that they are interested in and keep a track of those investments.
- The biggest challenge in this was connecting two DBs i.e. bhav data downloaded from NSE to the DB collections that is "portfolio" and "watchlist", which could be possible by relational DB.

## LANGUAGES & TECHNOLOGIES

- MERN Stack - Javascript (ES5 & ES6), MongoDB, Express, React, NodeJS
- Python, Postgresql, Heroku & AWS

## WORK EXPERIENCE (2+ YEARS) (OPTIONAL)

### NETWORKING TRAINER

LIVEWIRE Powered By CADD CENTRE

JUNE 2015 - JULY 2016

- Given trainings to more than 200 students in several colleges on Routing and Switching.
- Made a Tie Up with 5 Engineering college for summer trainings.

### PROJECT ASSOCIATE

IFMR

FEB 2018 - JAN 2019

- Dealt with a research program organized in Lucknow by the **Institute for Financial Management and Research California University, USA**
- Observed the kid's behaviour and their attention over study.

## EDUCATION

### Software Engineering

AttainU

Feb 2019 - Present

- Full stack web development using MERN stack.
- Core software engineering, data structures and algorithms.

### Bhopal, Madhya Pradesh

Scope College Of Engineering

June 2015

- BE in Computer Science and Engineering.

## POSITION OF LEADERSHIPS / EXTRACURRICULAR ACTIVITIES

- Participated in a **Chess Championship** and came up with a podium finish in 2015.
- Led my School **Cricket** Team as a **Captain**.
- Worked as a **Coordinator** in Robotics Workshop held at Ambition Institute of Technology, Zonal Centre for **Robotryst-2012**, with joint certification of **Robosapiens** and **IIT Kharagpur**.
- Have been a **Coordinator** of the **Placement Cell** in my Polytechnic and Engineering College for more than 3 years.
